GOMMAIRE

EVERY GOMMAIRE CREATION TELLS A STORY.

At GOMMAIRE, every design starts with a vision to craft timeless pieces that bring warmth, beauty, and natural ease to any space.

Established in Belgium in 2015, the brand has become an international leader in organic living, providing a complete concept for both indoor and outdoor living, along with a wide range of decorative accents.

Our philosophy is straightforward: the boundaries between inside and outside should feel seamless. We design outdoor spaces with the comfort and intimacy of a living room and interiors that reflect the calm and beauty of nature.

The outcome is a home where the outdoors flows in and the indoors invites you to stay. A place where you can unwind, recharge, and enjoy the feeling of being on holiday without leaving your own surroundings.

OUTDOOR DREAMS 2026

The GOMMAIRE outdoor collection is crafted to thrive under open skies.

Natural teak, rope, wicker, and soft, weather-ready fabrics combine in pieces that seamlessly blend with nature, encouraging you to slow down. Whether it's a secluded balcony, a sunny terrace, or a lush garden, our designs create spaces for sharing meals, relaxing in comfort, and enjoying life's simple pleasures.

This season, we focus on the balance between strength and refinement. Our new Imen collection demands attention with its sculptural cylindrical bases and elegant elliptical tabletop, a design that feels both monumental and harmonious. The handwoven two-tone chairs that accompany it add lightness and grace, with their warm dark frames and airy weave providing a perfect counterpoint to the table's presence.

A new Emas Brown woodstain enriches the collection with a golden brown glow inspired by distant horizons, enhancing the natural beauty of teak while adding lasting resilience. The beloved Faye collection enters a new chapter with lightweight concrete tabletops, a sleek and weather-ready alternative that is both refined and easy to care for. Coastal influences flow into the Sachin chair, where curved lines and a low, inviting silhouette promise comfort with or without its custom cushion.

Throughout the collection, every curve, finish, and texture is designed to inspire and endure. As you turn the page, envision the life you will live around these pieces. Moments of connection, quiet afternoons in the sun, and a sense of organic living that stays with you season after season.

GOMMAIRE & YOU

Behind every piece is a dedicated team.

Our in-house designers, Laurent De Greef, Sylvie Van Gastel, and Lara Magnus, are the visionaries shaping each collection, from the initial sketch to the final detail.

Their signature style combines organic forms, pure lines, and an instinct for comfort, brought to life by skilled artisans in workshops worldwide.

From Indonesia to Portugal, and from our Antwerp headquarters to our warehouse and showroom team, every hand and mind contributes to creating the GOMMAIRE experience.

What unites us is a shared belief: furniture should be more than functional; it should be a source of joy, a lasting companion in the moments that matter.

TEAK

Our outdoor collection showcases the natural elegance of untreated teak, with pieces that develop a distinctive grey finish and evolving root structures, adding to their unique charm. Teak naturally responds to temperature changes, which may cause small cracks, a characteristic part of its allure. We've also launched a new range in Emas Brown, a unique, warm finish that offers enhanced protection against the elements, boosting durability while maintaining the wood's organic beauty.

CL RATTAN

Crafted from woven rattan vines, CL rattan baskets and furniture naturally weather and change appearance outdoors. To extend their life, store them indoors or in a covered area during winter. Our collection features both a natural and a darker finish, with the latter made from unpeeled rattan, offering richer colour and greater strength.

PE WICKER

PE Wicker (polyethylene) is a robust, weather-resistant material ideal for outdoor use. Available in Antique Weed, Natural, and other unique weavings, PE Wicker combines aesthetic versatility with exceptional durability, ensuring long-lasting performance in diverse climates.

OUTDOOR FABRICS

The GOMMAIRE collection offers high-quality outdoor fabrics of European origin, woven from premium yarns like polypropylene and acrylic. With water-repellent, colour-fast properties and a natural feel, these fabrics blend style and practicality. All cushions are filled with quick-dry foam, perfect for outdoor use.

TAKING CARE OF WOOD

G-CLEANER

Use G-CLEANER for regular teak care when outdoor furniture weathers or changes colour. Combine with G-PROTECTOR for lasting protection.

Spray on clean, rinsed wood, leave for 10 minutes, scrub gently along the grain, rinse, and dry with a soft cloth. Let dry in shade, away from sunlight. Repeat if needed.

G-PROTECTOR

Our water-based teak and oak protector that shields against stains and slows greening.

For new furniture, wipe with a damp cloth, dry for a week, then apply.

For older furniture, clean with G-CLEANER, sand if rough, and apply without waiting.

G-SPOTSTOP

For stubborn stains on teak or oak, use G-SPOTSTOP.

Shake well, spray 20 cm above the stain, let sit for a few minutes, then gently remove with a soft brush or cloth. Avoid rubbing to prevent pushing the stain deeper.

EXTERIOR WOOD OIL — NATURAL GREY

This water-based oil protects and maintains the Natural Grey tone of your outdoor wooden furniture. It offers light protection against water and stains but requires careful application. Treat all matching pieces to avoid visible colour differences, and be cautious around fabrics, especially fixed cushions, as staining may occur. If unsure, don't hesitate to contact us for advice.

Stir thoroughly before use. Apply a thin, even coat with a brush. Remove any excess oil

from the surface and from joints or grooves using clean cotton cloths within a maximum of 5 minutes. Allow the wood to dry for at least 24 hours in a non-humid environment before using it again.

TAKING CARE OF FABRICS

To maintain their condition, store cushions indoors during prolonged wet or humid weather, or place them upright to help them dry.

For cleaning, wipe with a damp cloth and mild soap, rinse thoroughly, and machine wash at 30°C with closed zippers for stubborn stains.

Avoid the dryer, except for Knelout/Kneloutlux fabrics, which can be briefly dried to reactivate their dirt-resistant finish.

TAKING CARE OF CONCRETE

Our new Faye tables feature a concrete top layer, sealed with a durable polyurethane protective coating. While this finish offers solid protection against outdoor elements and everyday use, we recommend treating the surface with care.

Always wipe away spills immediately using a damp, soft cloth. Avoid aggressive or abrasive cleaning products and any rough materials that could scratch the surface. For more thorough cleaning, a mild natural soap is usually sufficient.

ARTICLE 1
The general terms and conditions of Gommaire NV always take precedence over those of the customer, and constitute an integral part of the agreement, even if the order and/or general terms and conditions of the customer would state otherwise. The general terms and conditions of the customer are not enforceable against Gommaire NV, regardless of their designation and/or whether they (later) appear on order forms, order confirmations or other documents of the customer.

ARTICLE 2
2.1 Placing an order is always an unilateral offer to contract on the part of the customer, even if this order is in response to an offer by Gommaire NV and/or is indicated on an order form (PO) of Gommaire NV and/or signed by an employee or representative (agent) of Gommaire NV. Orders as well as any other obligations recorded/entered into by its agents, representatives and/or employees shall only be deemed accepted by Gommaire NV after written confirmation of acceptance (signature) by the management of Gommaire NV, which is not required to justify a possible refusal.
2.2 Photographs, drawings, illustrations, dimensions, samples (among others of colours, materials), technical specifications, and the like are provided by Gommaire NV for information purposes only and are approximate indications for which Gommaire NV is liable only if it did not take all reasonable care due to serious or deliberate error.

ARTICLE 3
3.1 The delivery dates specified on offers, (final) order confirmations/acceptances and other documents of Gommaire NV are only indicative and not strictly applicable. The customer may in no circumstances invoke non-compliance with stated deadlines to claim damages or dissolution of the agreement, unless the lateness is exclusively the result of gross negligence or wilful misconduct on the part of Gommaire NV.
3.2 The goods are delivered ex warehouse, with the risk transferring to the customer as soon as they leave the warehouse, even if Gommaire NV handles transportation and/or insurance (on behalf of the customer).
3.3 The customer commits himself with respect to the goods purchased from Gommaire NV :
(i) that he will not advertise and/or commercialize the same via online platforms as Amazon.com, Bol.com (not limitative examples).
(ii) that he will only advertise the same on his own website with the agreement of Gommaire NV and in compliance with the directives of the latter, which may from time to time be adapted with prior notice.
(iii) that he will never commercialize the same via his own website.

ARTICLE 4
The customer acknowledges that Gommaire NV is the exclusive owner of all copyrights, creations and/or any other intellectual property rights related to the delivered goods, materials and services.

ARTICLE 5
5.1 All invoices issued by Gommaire NV are payable in cash unless different payment terms are accepted by Gommaire NV. In any case, all invoices issued by Gommaire NV must be paid in full before delivery/pick-up.
5.2 Payments shall be made to Gommaire

NV at Antwerp (B). Any amount that is not paid to Gommaire NV in a timely manner will by operation of law and without prior notice be increased by fixed irreducible damage compensation equal to 10% of the outstanding amount, as well as by default interest equal to the interest rate foreseen in the Act of 2 August 2002 on combating late payments in commercial transactions calculated on the amount owed.
5.3 The late payment of one amount to Gommaire NV shall by operation of law and without notice result in all outstanding, not yet payable amounts owed by the customer in question becoming immediately due and payable in full, and Gommaire NV, without being obliged to pay any damage compensation, shall have the right to suspend further delivery and/or production for the customer in question until the latter has settled all outstanding amounts, and pending orders have been paid in advance.
5.4 In addition, in the case of late payment, Gommaire NV has by operation of law the right to dissolve the agreement without prior notice at the expense of the customer. This dissolution takes place by notification by registered letter. The dissolution takes effect on the date indicated on the proof of posting of the registered letter.
5.5 In the case of dissolution of an agreement by Gommaire NV at the expense of the customer, or in the case of unilateral breach of an agreement by the customer before the delivery of the goods, materials and/or services in question, the customer shall automatically and without prior notice owe Gommaire NV a fixed damage compensation of 50% of the agreed price, without prejudice to the right of Gommaire NV to demonstrate and claim greater compensation. After delivery, this damage compensation amounts to 100% of the agreed price, without prejudice to the right of Gommaire NV to demonstrate and claim greater compensation. The parties agree that the above damage compensation constitutes the actual minimum damage suffered by Gommaire NV.

ARTICLE 6
Any dispute concerning an invoice sent, must be notified to Gommaire NV by registered mail within eight days after the invoice date, under penalty of forfeiture.

ARTICLE 7
7.1 Verification of (i) the conformity of the delivered goods, materials and/or services with respect to quantity, quality, characteristics, etc. , as well as (ii) inspection for apparent/visible defects in the delivered goods, materials and/or services shall take place at the time of the pick-up/delivery/performance. The corresponding complaints must, under penalty of forfeiture, be expressly stated on the pick-up slip/packing slip/service order and subsequently confirmed by registered letter to Gommaire NV within 24 hours after pick-up/delivery/performance. The partial use or resale of the delivered goods or services also implies acceptance of the entirety. Defects in a part thereof do not entitle the customer to reject the entire order.
7.2 Each complaint relating to a non-apparent defect must, under penalty of forfeiture, be sent to Gommaire NV by registered mail within eight days after discovery, and no later than one year from the pick-up/delivery/performance.
7.3 Within the usual tolerance limits for the sector, deviations in colour, materials, grain, dimensions, look, and the like [including those

that are due to natural (raw) materials and/or modified production techniques on the part of the manufacturer] are allowed and shall not constitute grounds for (partial) refusal of the delivery, nor constitute grounds to claim damages and/or (partial) non-payment of the price.
7.4 If a complaint is substantiated, Gommaire NV – at its option – shall resolve the complaint by repair and/or replacement of the non-conforming part of the delivery, unless the end customer opts for a corresponding price reduction after return of the non-compliant part. Filing a complaint for any reason, even using the prescribed forms and within the prescribed deadlines, does not relieve the customer of its obligation to promptly pay by the due date. Except for its warranty obligations indicated above, Gommaire NV is not liable for direct and/or indirect damage (including loss of profit) resulting from defects in the goods sold and/or the services provided, except in cases of serious or deliberate error on its part.

ARTICLE 8
The delivered goods, materials and services remain by operation of law fully owned by Gommaire NV until receipt by the latter of the full price of the goods, materials and services, eventually increased with any applicable interest, damage compensation and costs. As long as Gommaire NV retains ownership, the delivered goods, materials and services may never be used by the customer as a pledge or deposit for a claim of a third party.

ARTICLE 9
If the customer suffers loss or damage as a result of an error by Gommaire NV for which its liability is not excluded, the latter shall be obliged to pay compensation in the amount of the invoice in question.

ARTICLE 10
The possible invalidity of one or more provisions of these terms and conditions shall not affect the validity of the agreement, these general terms and conditions as such, or the other clauses contained therein. The parties undertake to immediately replace in good faith any invalid clause by another clause that is as close as possible to the intention of the clause being replaced.

ARTICLE 11
In case of dispute, only the justice of the peace and courts of the registered office of Gommaire NV have jurisdiction. Only Belgian law is applicable to the agreements and disputes between the parties, with exception/exclusion of Belgian international private law. The application of the Vienna Convention on contracts for the international sale of goods is also explicitly excluded.
